EXECUBE DIGITAL

Product

Digital marketing services to increase businesses online presence, including SEO, social media management, content marketing and website design.

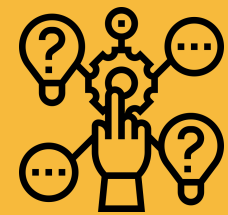

Target Group

B2B, small to mid-sized enterprises or influencers who need social media management.

BRAND STRATEGY

Pain Points

- Low online visibility due to a lack of revenue and brand awareness.
- Less engagement with customers online

Needs

Execube needs an effective digital marketing team who are skilled with all of the services being provided. Be it driving traffic to customers' websites, increasing brand awareness or how content is planned for social media.

Solution

Execube Digital provides tailored digital marketing strategies that address these needs by offering:

- Comprehensive SEO services
- Engaging content creation
- Targeted social media campaigns

BRAND STRATEGY

Personality

The brand comes across as creative, reliable, knowledgeable, playful, detail-oriented and lastly professional yet easy to approach personality.

tonality

The tonality is friendly and informative, aiming to educate clients while also being engaging basically helping to build rapport and trust with them.

Content distribution plan

- Social media platforms for broader reach. Create a mix of blog posts, infographics, videos, case studies, and podcasts. Ensuring that each type aligns with the chosen distribution channels.
- Email newsletters to engage existing clients.
- Blog posts for SEO and thought leadership
- Invest in social media ads, Google Ads, and sponsored content on relevant platforms.
